Deutsche Internationale Schule Pretoria

External Extramural Activities Guide

Activity Overview

Welcome to the official External Extramural Activities Guide of the Deutsche Internationale Schule Pretoria. This document provides details of all activities, contact persons and sign-up information.

Note that these activities are approved by the DSP but are offered by external service providers at an additional cost. Contracts and payment will be with these service providers directly.

All activities listed here takes place on the school grounds.

General Notes

- All external instructors must comply with school policies and safety requirements.
- Activities might be subject to minimum enrolment numbers.
- The school reserves the right to adjust schedules and venues.
